Gloria,

I have finally (!) received my FOIA email search from our contractor (I was able to get an extension). Most of the emails are deliberative, but I did have a question.

Did both PRPs get a copy of the attached weekly report, such that this email is releasable?

Hi Arkwood Team,

Dye tracing began November 17 and will end ~first week of January.

Attached is the field oversight report with photos, etc.

Thanks,
